For Rent:

Classic apartment totally renovated, with modern new furniture. The location is spectacular, next to the supermarket, metro station and park. Just one subway station to Centraal Station and in the wealthy and beautiful neighborhood 'Blijdorp'. The apartment is located on the third floor. The design of the apartment is a mixture of classic and modern. The shiny wooden floor, the vintage stained glass windows and other ornaments give the apartment much class. The modern furniture lights up the room and gives it a refreshing look. The whole apartment is very light. In every room there are large windows and there's a nice BALCONY located in the sun's direction. Here the sun shines all day!

The living room is very spacious. There is a comfortable lounge area with a sofa, two design chairs and a flat screen television. On the other side of the living room, there is a very large dining table, large enough to eat with 6 people. The bathroom is modern and new with a new washing machine and dryer to take care of your clothing. The kitchen is fully equipped. It has an oven, stove, pots, pans and cutlery.
